

BAYSIDE PERSONNEL

Engineering & Technical Recruitment

BAYSIDE PERSONNEL is one of Australia's leading suppliers of engineering, construction, technical and drafting professionals, specialising in permanent and contract recruitment. We service major clients across Australia and internationally.

Our experienced consultants have specialist recruitment and industry knowledge, resulting in the delivery of quality candidates and services to meet the needs of our clients.

Bayside Personnel's innovative strategies to attract and retain professionals from Australia and overseas, facilitates the provision of effective recruitment solutions.

>> CANDIDATE ATTRACTION

In an increasingly candidate short market, we have a demonstrated ability to attract quality candidates with the specific skills required by our clients.

As a pre-qualified business sponsor, we also attract candidates from overseas and are experienced in assisting candidates with all elements of relocation and pre-employment induction.
